

9th Grade Summer Institute

Welcome Class of 2026!! Our DMHS support staff is excited to meet and welcome our incoming 9th grade class.

We are inviting and highly encouraging all of our incoming 9th graders to participate in our 3-day Summer Institute. This valuable experience will support students acclimate to a new campus and understand our school's culture and expectations. It is essential that every 9th grade student have the best possible start to their high school career.

During this beneficial program, students will engage in valuable activities to support their success during their first year at Downtown Magnets High School. Support staff will be conducting activities with students which will include:

- Community & relationship building exercises with staff and students
- Informational workshops about academic, attendance, and safety expectations
- Self-care guidance & support
- Preparing for university and Individual Graduation Plans
- Connect with support staff and resources
- Campus tours & school layout
- Student & staff panels & presentations
- Transportation

Our 3-day 9th Grade Summer Institute information is as follows:

Dates: Tuesday, August 2nd, through Thursday, August 4th
Time: 9:00 am to 12:00 pm
